

Living a Spirit-Filled Life

Meekness

... a humble submission to use all of your strength as another requires.

That is meekness.

A.W.Tozer

Meekness is saying,

“I am nothing; God is everything”

But are we more,

“I am considerable, God is a bonus”?

In Matthew ch5 Jesus puts Christian character in this order...

- Being poor in spirit
- Mourning
- Meekness

Sometimes our problem with obedience has got nothing to do with our degree of faith, our problem is that we are not prepared to be meek.

The ultimate example of meekness is the
Lord Jesus Christ.

Philippians 2:8...

He humbled himself *and became
obedient...*
