

Luke 8:22-25

“Who Can This Be?”

Verses 22 & 23

1(i) - They launched out

1(ii) - He fell asleep

Hebrews 4:15... He can sympathise with all our weaknesses...

J.C. Ryle makes this very helpful distinction...

"To be weary of working for God is sinful.

To be weary in doing God's work is no sin at all."

1(iii) - A windstorm came

*Psalms 107:25... He commands and raises the stormy wind,
which lifts up the waves of the sea.*

Verses 23 & 24

2(i) - They were in jeopardy

*Ryle... "sights, senses and feelings make men
very poor theologians."*

2(ii) - They came and woke Him

2(iii) - They thought they were about to die

The question we all must answer about Jesus
from the evidence the Bible presents...

“Who can this be?”

Verses 24 & 25

3(i) - He arose

2 Samuel 22:7

3(ii) - He rebuked the wind and the waves

3(iii) - He asked a question... “Where is your faith?”
