

Zechariah 10:1-12

Strength in the Lord

1. v1 – Ask for what's been promised

2 rains in Palestine's climate:

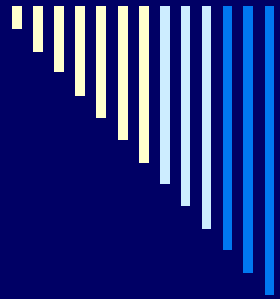

1st rain... former rain... in our Autumn... seed germinates and sprouts.

2nd rain... latter rain... in our Spring... seed swells & ripens for harvest.

(See Deut 11:13-14)

Pray for what's been promised.

You'll never break God's promises by leaning on them.

2. v2 - Ask from the right source.

Don't go anywhere other than to the giver of the promises.

3. v3-4 – God's provision

God is with His church, and for His church.

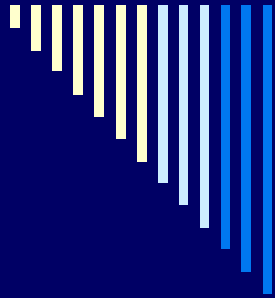

4. v5 – Being and doing

The Christian life isn't primarily about feeling... it's about being and doing...

being the Christian you are...

and doing what a Christian should do.

5. V6 –11 - What God will do for His people.

God's comprehensive care and provision for His church.

6. V12 – Strength in the Lord

“Return to Me,” says the Lord of hosts,
“And I will return to you.”
