

The Lord is King

Zechariah 6

1. The Vision, 1-8

Four colours of horse, as in Revelation
6...

- Red – warfare & bloodshed
- Black – death & mourning
- White – victory
- Dappled – plague, disease & judgment

These horses are strong and eager to do their work.

They give rest to the spirit of God – His work is accomplished & God is satisfied.

2. The Instruction

This is a symbolic act – the Chief Priest is to be crowned.

No priest ever became king, yet here is a man who shall be a priest on his throne - v13.
(See Hebrews 7:11-28)

The branch = a tender shoot... just like Jesus himself... Isaiah 53:2-3.

2. The Instruction

see Matt 16:18 & Eph 2:20

V13 – He will be its glory and receive
He shall rule His church.

V15 – those afar off shall come...
see Eph 2:13-14
