Be Always Ready

Luke 12:35-40 - Be Always Ready

Jesus pictures servants who've been left looking after the house while their master is away.

His return is imminent, but they don't actually know when he will return.

1. He will expect them to have only him in mind.

1 Peter 1:13; Philippians 3:7-8

2. They are to be in constant readiness.

3. Don't let the waiting cause any wandering.
