**The Wonderful Works of God  
(1) Creation**

# Psalm 40:5

## The Wonderful Works of God - (1) Creation

1. God is the Creator of all things
2. God's creation includes a spiritual realm
3. Creation is the work of a triune God
4. God's creation remains dependent upon Him
5. God created for His own glory
6. The direct and explicit creation of Adam and Eve
7. Some slippery compromises
  - (i) Theistic evolution - God used evolution to create
  - (ii) The Gap Theory - the '6 days' only began at Genesis 1:3
